

DROP IN BOOKING INFORMATION

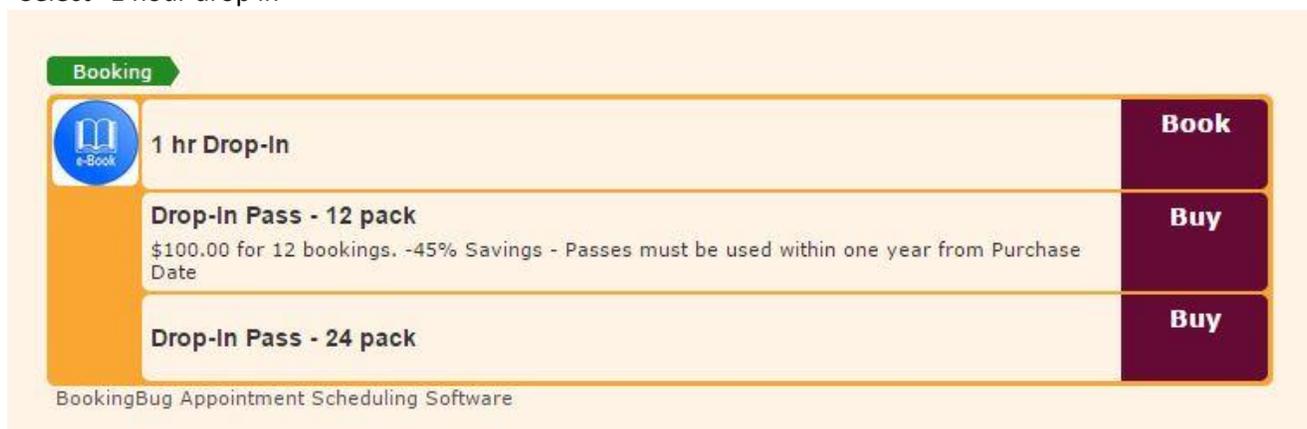

You must READ thoroughly and AGREE to abide by all **Drop-In RULES** in order to BOOK! ALL of your questions should be answered if you take the time to read all information.

Charges are per handler, per area, and per hour (Off-leash or Std Agility Ring 1). A second handler is someone outside your household with another dog(s), a friend you would like to share in your walk at the same time with or train with. There currently is no limit on dogs per handler. We expect the handler's to regulate themselves as to how many dogs they are reasonably able and fully clean up after, at any one time.

To get an account, you go to our booking page and follow through the booking process and it will prompt you to create an account.
